

# SUPPORT BLACK ARTISTS

D O N A T E | A T T E N D | S H A R E

**Black Artists of DC** is a collective connecting and supporting black artists in the DC area.

Opening up spaces in our musical world for black artists and black-led organizations is an important step towards racial justice and equity. Please consider supporting their work and their mission, and following their social media so we can continue to support them in the future!

## MISSION

The mission of the Black Artists of DC is to educate and enrich the local, regional and global community to the cultural heritage and contemporary practices of artists of African descent. This is achieved by sponsoring public exhibitions, educational programs and community events that increase the awareness and documents of the various forms of visual expression.
