COMMUNITY CONCERT CHOIR OF BALTIMORE

The Community Concert Choir of Baltimore is a community choir preserving the musical heritage of the African American Church.

Opening up spaces in our musical world for black artists and black-led organizations is an important step towards racial justice and equity. Please consider supporting their work and their mission, and following their social media so we can continue to support them in the future!

MISSION

The Community Concert Choir was established to help preserve the musical heritage of the African American Church. The choir's repertoire spans the Negro Spiritual, Western European hymns and anthems, and the evolution of gospel music.
