D O N A T E | A T T E N D | S H A R E

## INSTITUTE *for* **COMPOSER** DIVERSITY

The **Institute for Composer Diversity** creates databases to aid in creating more diverse concert programs.

Opening up spaces in our musical world for black artists and black-led organizations is an important step towards racial justice and equity. Please consider supporting their work and their mission, and following their social media so we can continue to support them in the future!

## MISSION

The Institute for Composer Diversity is committed to the celebration, education, and advocacy of music created by composers from historically underrepresented groups including women, composers of color, LGBTQIA2S+ composers, and disabled composers.
