

# SUPPORT BLACK ARTISTS

D O N A T E | A T T E N D | S H A R E

## VOICES UNHEARD

**Voices Unheard** is a student collective that uplifts underserved artists.

Opening up spaces in our musical world for black artists and black-led organizations is an important step towards racial justice and equity. Please consider supporting their work and their mission, and following their social media so we can continue to support them in the future!

## MISSION

Voices Unheard empowers underrepresented artists by curating spaces in which their work is celebrated and valued and by bringing awareness to nuanced issues within classical music culture.
